OUR INTERIOR DESIGNING STORY

Gharvin Interior Design Studio Pvt. Ltd. was founded by two Young & Enthusiastic Minds, **Mr. Sharath Chandra** and **Mr. Vamshidhar Reddy**. The duo has exceptional experience in Business Development, Structural, Architectural & Interior Designing.

Mr. Sharath Chandra (MD/Principal Designer) is an expert professional with more than 6 years of experience in interior designing. He is a structural engineer from JNTU, having vast knowledge and hands-on experience in Structural, Architectural and Interior Design detailing.

Mr. Vamshidhar Reddy (Director) is an expert graduate with 10 years of expertise in managing offshore imports and creating supply chains in the Indian market. His extensive knowledge in business development is one of the driving forces of Gharvin Interior Design Studio.

PAIN POINTS WHEN COMPROMISED WITH MATERIALS

Mismatch of selection Hardware problem

Low quality framing chosen for false ceiling which led to bending in the ceiling

Discoloration of Laminate

Low quality hardware chosen and improper fixing lead to the uprooting of one end of the hardware

Other pain points

- Work left in middle.
- Sudden price increased while execution of works
- Low quality material used
- Lots of hidden charges

USP'S

- Complete Transparency
- No compromise on quality
- 45 days installation *
- 100 quality checks
- 5 year warranty

Strength's

- We design functional spaces
- No hidden charges
- Office in our own property
- We import furniture
- We match your budget
- Strong design and execution team
- We don't compromise on quality.
